REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Knightsville Elementary School has a time-honored tradition of creating lifelong learners who are able to meet the challenges of the future. In the pursuit of this goal, Knightsville has achieved recognition as a Blue Ribbon School of Excellence and a Flagship School of Promise. The faculty and students at Knightsville have also been honored with the South Carolina Exemplary Reading and Writing Award, as well as been named as a finalist for the Palmetto's Finest Award. Our tradition of excellence continues to influence everything that we do at Knightsville. This year our diverse student population exceeded 1,076 as compared to 1,017 last year with the expectation of continued rapid growth in the geographical area.

Staff development plays a key role in helping teachers meet the needs of our children. We have continued to focus on literacy instruction in our district to further help us achieve our goals for student performance. We have provided small-group differentiated instruction through a variety of programs and schedules to include RRR in kindergarten, PAWS in first grade, and literacy programs in 2nd and 3rd grades. We have also added READ 180 in both 4th and 5th grades.

Students have continued to participate in PACT-like district-wide writing prompts. Write Traits training has helped us to be even more effective in meeting the individual needs of our students. We have focused on standards-based instruction in team planning each week. We have two technologically up-to-date computer labs that are utilized by teachers and students on a regular basis to develop PowerPoint programs, to conduct research, and to develop computer literacy skills.

Knightsville will continue to work hard in overcoming the challenges that come with being located in one of the fastest growing areas of the state. We also face the challenge of successfully meeting the needs of all of our students but most especially our special needs students.

Knightsville Elementary achieved all of the Adequate Yearly Progress (AYP) objectives. Our plans for the 2005-06 school year include a continued focus on the literacy model through staff development and scheduling. We will continue with the implementation of RRR, PAWS, and READ 180 to enhance differentiated reading instruction in the classroom for all grades. We will utilize team planning and district early release days to plan for this instruction.

The administration, faculty, and staff of Knightsville are committed to providing a safe, happy, learning environment where children are ready to meet the challenges of the future.

We value the strong community support and caring parents who support us in our efforts to achieve excellence!
